Viva[®]
Aluminium Composite Sheet

■ INTRODUCTION

M/S Viva Composite Panel PVT.LTD. is one of the leading manufacturers of aluminium composite panel (ACP) in India. Viva now an ISO 9001:2015 & ISO 14001:2015 & "CE" certified company was setup in 2005 at Mumbai in Maharashtra, Our manufacturing facilities are located at Umbergaon in Gujarat that features a perfect harmony of proficient workers and world class machines. The manufacturing facilities have a state-of-the-art Korean machines and has an integrated infrastructure and a talented pool of professionals operate them. The plant is equipped with all safety measures as well as solar power to ensure uninterrupted production. A state of test lab is also operational. The in-house testing labs ensure highest quality & precise specification.

We are equipped with 6 production lines with production Capacity of 7 million sq. Mt. per annum and 2.5 Lakh Sq ft. per day at our plant located at Umbergaon (Gujarat).

We have 18 Company owned Depos in all the prime cities of India and more than 500 plus dealer's network across India, strengthening us to make our supplies reach in most of the regions. Our aim is to provide the best quality materials with excellent service and hospitality. We promise to reach new heights of excellence.

We're also equipped with the best in class Color Coating Line (CCL) which helps us to develop customized shades and cater the requirement of our clients who needs a special shade for their brand identity and eliminates the chance of peel-off. Only lead-free paint is used to negate health hazards.

The fire retardant variant (fire facade) resists fire for 2 hours, doesn't lead to flash over, produces negligible smoke and zero flaming droplets.

Our products are LEED certified by the IGBC organisation which ensures environment safety. Viva, superior quality aluminium composite panels are available in large variety with innovative ideas, an eye catching appeal. It offers unmatched quality, aesthetics, style and durability. It has good insulation and a low thermal conductivity, weather protection & is ready to use, It has a range of applications and a whole lot of multiple deployment, advantages, customers can choose as per their needs, budgets and decorative requirements.

■ OUR ESTEEMED CLIENTS

Viva is a leading and largest manufacture of Aluminium Composite Panel in India. We play a very important and vital role in introduction of new ranges at regular intervals and focus on those products which can be among the best and enthuse our customers. It's through our commitment to our product quality and constant improvement. Viva "Exotic Series" is a high quality construction product available in large variety with innovative ideas, an eye catching appeal. It's offers unmatched quality, aesthetics, style and durability.

Charming

Wood

One of the great furniture woods, mahogany (also called Honduran mahogany) has a reddish-brown to deep-red tint, a straight grain, medium texture. It takes stain very well.

Get texture and features of mahogany wood with Viva's ACP.

Latest Innovation

Fire Retardant

- Negligible heat release
- Negligible smoke release
- Negligible flame spread
- Zero melting droplets

Anti Scratch ACP

- Scratch resistant
- Anti-graffiti
- Reduce corrosion
- Resistance against chemical cleaners

Antibacterial ACP

- Antimicrobial performance is 99.99%
- Silver ion coated ACP
- Repelling microbes

Self Cleaning ACP

- Water and mud repellent
- Easy self-cleaning
- Perfect for short throw projections
- High abrasion resistant

Dust Repellent ACPs

Anti-Bacterial ACPs
