**Viva Panels** is one of the largest Indian manufacturers of Aluminum Composite Panels and its accessories. We help major national and international brands in India to maintain their brand identity by providing them with custom color shades ACP specific to their brand guidelines. Compared to post painting processes like powder coating and spraying, pre-painted coils offer higher uniformity and durability.

Located at Umbergaon in Gujarat, it boasts state-of-the-art Korean technology, with 7 production lines. It has a production capacity of 7 million m<sup>2</sup> per annum. The production facility is equipped with safety measures of six sigma and solar power generators for uninterrupted production.
